VICE PRESIDENT GEORGE DAVIE ILL

George is doing well following by-pass surgery and is recovering at home. If you would like to send George a card, his address is **1005 W. Hart Rd., Harvard, IL 60033.**

JULY MEETING

By John Roach

Saturday July 8 was a busy day for EAA 932 members. The Chapter Board of Directors considered a policy to cover the use of chapter properties. The policy was then adopted by the membership at the membership meeting. In short form, the policy states that "requests for the use of Chapter facilities and properties should be made and approved by the Board of Directors in advance of the use." Additionally, "when Chapter properties are used for other than Chapter activities, an agreement specifying the specific items used, the date the use begins and the date the items will be returned should be executed. This agreement should also include the user's agreement to be responsible for the properties and their proper use as well as hold the user to be responsible for any damage or loss to the properties."

This policy was designed to help the chapter to keep track of the tables, chairs and other chapter property. In the past, some tables and chairs have turned up missing and become difficult to recover without a system to track their use. A use agreement is being developed and will be available at the September meeting. The full text of the policy will soon be available on the chapter web site.

Following the meeting, the chapter flew 15 Young Eagles, bringing our total for the year to 34. To increase the number of Young eagles flights this year, giving more chapter members a chance to reach the ten Young Eagles flights necessary to qualify for credit toward our scholarship awards, we'll be flying **Young Eagles** again on **Sunday August 27th during the Galt Airport Open House from 10:00 am to 3:00 pm and following our Saturday, September 9th meeting from 11:00 am to 4:00 pm.** Talk up the Young Eagles program with your friends and neighbors who have eligible children between the ages of 8 and 17. Special arrangements for group Young Eagles flights can be arranged by contacting any member of the Board of Directors. (See box other side – Ed.)

Also on July 8, several chapter members continued the repair of the chapter building (below). While repairs to the front of the building are now almost complete, there is additional work which should be completed before the cold weather sets in. Volunteers who would like to help should call **Greg Domski (847-973-0621)** or **Dave Spitzbart (815-338-5407).**

HELP NEEDED!

Greg needs help setting up and taking down the Chapter tent:

Jul 27, 5:30 PM for "HARD LANDING" (www.galtfestivals.com)

- please help with this one – most of us will be in Oshkosh...

Jul 30, 1 PM take down

Aug 10, 5:30 PM for "FLYERS & TIRES"

AUG 14 5:30 PM take down

CALL GREG, 847-973-0621 (Rain dates are the following day)

AUGUST – SUMMER FUN AT ONE ZERO CHARLIE

By John Roach

The summer festival season rolls into high gear at Galt Airport as Flyers & Tires returns to McHenry County on Saturday August 12 and Sunday August 13. (Poster P. 3 of the electronic edition – Ed.) Where else can you find displays of antique and military aircraft, hot rods and classic cars, aerobatic flying, precision motorcycle riding demonstrations along with those famous "runway burnouts? Mix in live music and good food and you have the perfect recipe for entertainment for the whole family. The show starts each day at 10:00 am and runs until dark.

As in past years fly-in traffic will receive free admission to Flyers & Tires and EAA 932 will provide the Pilot in Command of each fly-in aircraft a Free Lunch Ticket good at Orville's Kitchen. Spread the word about Flyers & Tires to your friends, neighbors and especially your flying buddies

Flyers & Tires also provides an opportunity for members of EAA 932 to help out with the activities. Volunteers are needed to help with the food service (call **Greg Domski**), the EAA display in our building (call **John Roach**), or with the aircraft parking and ramp movement (call **Carolyn** at Galt.) Volunteers will also be needed to set-up and take-down the chapter's tent prior to and following the event (call **Greg Domski**). (See contact info box other side – Ed.)

Galt Airport will also host an **Open House on Sunday August 27 from 10:00 am to 3:00 pm.** Designed to acquaint area residents with the improved facilities at the airport, the day will feature displays of locally based aircraft, a chance to tour the airport's new maintenance facility and talk with the aircraft technicians who work there along with free music and refreshments, free screenings of historic aviation films and, for those between the ages of 8 and 17, free airplane rides under the EAA Young Eagles Program.

Aircraft on display will include antique and classic aircraft, typical general aviation aircraft, and competitive aerobatic aircraft. Visitors will have the opportunity to talk with aircraft owners, pilots and certified flight instructors who can explain most aspects of aviation; including the importance of general aviation to America and how to become a pilot. Galt Airport will also be a stop on the Southern Wisconsin EAA Chapter Poker Run on August 27, so there may be even more activity on Galt's newly resurfaced, widened and freshly painted runway.

EAA 932 members wishing to help out at this event should contact **John Roach (815-444-7784).** We'll need members to help with Young Eagles (pilots, planes and ground crew), planes to put on display, and tour guides to help direct the traffic through the airport. But, even if you can't be there to help, help out by telling both your flying friends and your non-flying friends and neighbors about the Galt Airport Open House on Sunday August 27

LIGHT SPORT HUNTING

By William Laskey

The Flight Design CTSW

(We're still standing-by for the conclusion to the series of articles by Bill in the May and June issues. Here's an update on Jul. 22 – Ed.)

"I just got news that my plane has finally arrived in Minnesota (and is) at the dealers. However, while the avionics are in the plane, they were not actually installed so that needs to be done. Additionally, they will be going to OSH next week so that will result in a further delay. Then the dealer who flies for Northwest has an Alaska trip and after that and he will be the one who will fly the plane to Galt...."

Bill is now expecting his plane around Aug 4. We hope to have his pilot report for the next issue.

CHAPTER CALENDAR

Join us for coffee at 9:30 prior to meetings!

AUG 12, 13 FLYERS & TIRES

AUG 20 5th in the Southern WI/Northern IL "Poker Run" Fly-Ins. Capitol Airport (02C) Ice Cream Social Noon – 5 PM

THE JOHNSONS FLY THEIR C-180 TO ALASKA

(Retired AA Captain Dan Johnson and wife Nancy recently returned from the flight to Alaska that most of us only dream of taking one day. They sent a few pictures that they took along the way – Ed.)

Dan in Whitehorse, YT where they have a DC-3 wind tee ^

Dan and Nancy tie down for the night ^

Magnificent vistas like this glacier is what it's all about ^

THREE RETIRED PILOTS by JH,sr.

Oscar: "Foxy, is the mother-in-law still visiting?"

Foxy: "Yeah."

Oscar: "How's the old girl doing?"

Foxy: "She's OK – she complained of a pain under her left breast – turned out to be a trick knee."
